Food allergen, intolerance and sensitivity information is compiled using data obtained from our approved suppliers. As with every catering establishment, there is always a potential for cross-contamination to occur. While we endeavour to prevent this as far as possible, the nature of an allergen means we cannot fully guarantee that cross-contamination may not have occurred. If you have any concerns, please speak to a member of staff.

All fish is sustainably sourced. Please note, this menu may be subject to change.
